Record and Upload Video Instructions

Record Video

- 1. Click on the Windows icon at the bottom left-hand corner.
- 2. Next, click on the Camera App from the menu.
- 3. Once the Camera window opens, select the Video icon to record the video.

Practice Record and practice as many times as you like. The app will automatically save all your videos so you can choose the best one to submit for grading.

To find your videos go to File Explorer > Pictures > Camera Roll

Upload Video in SOLAR

- 1. Go back to your Executive Presentation Skills Video Assessment assignment in SOLAR.
- 2. Click the last module: Video Assessment and press the blue Start button
- 3. Click the Upload Video link
- 4. Navigate to your video file within the explorer window and select the video file you want to upload.

Send the Video to Analyze

Once the video is uploaded and processed, click the blue Analyze Video button in the bottom right-hand corner. This will send the video for machine analysis, an artificial intelligence tool within SOLAR.

This does not submit your video for grading. You will get the opportunity to review the analysis before you will be prompted to submit the video.
